

VOLUNTEER CRAFTSPEOPLE
NEEDED for a new
COMMUNITY ART PROJECT:

The TikkunTree Project

KNITTERS
CROCHETERS
EMBROIDERERS
SEWERS

The TikkunTree Project is an art installation that will be on display in Philadelphia, PA! “Tikkun,” in Hebrew, means “repair” (as in *tikkun olam*, or “repair of the world”). We are hand-crafting (knitting, crocheting, embroidering, sewing) thousands of leaves, doves and candles and will suspend them to and beneath a knitted 6’ olive or peace tree. The purpose of the project is to raise public awareness about the olive trees endangered or destroyed by the hostilities in Israel, and to provide craftspeople with an opportunity to express their concerns for peace in Israel and the mideast, by building a community that will create its own peace tree.

You can find out more about the project, links to patterns, and information about suggested materials to use, as well as project updates and more, at the project website:
